General Format Specifications for all Pages of the Paper

_____ Double spaced. Have Word remove space before / after paragraphs
_____ One inch margins
_____ 12 pt font, Times New Roman
_____ Last name & page number in upper right hand corner of all pages

Page One of the Paper

_____ Author’s name is in the header on the left hand side of the first page.
_____ Instructor’s name appears as the second line of the header on the left margin of the first page.
_____ The name of the course appears as the third line of the header on the left margin of the paper.
_____ The date, in MLA format, appears as the fourth line of the header on the left margin of the paper.
_____ The title of the paper appears centered above the text. The text of the title should not be underlined, italicized, in bold, or in quotation marks.

MLA Citations

_____ Every source cited in the text must be documented in a Works Cited page at the end of the paper.
_____ The author’s name (or a key word from the title) is located in a parenthetical citation or in an introduction to the borrowed material.
_____ Page number(s) (if applicable) are always placed in the parenthetical citation.
_____ Parenthetical citations at the end of the sentence are followed by a period. [Unless you used a block quote.]
_____ All quotes have a lead-in

Punctuation

_____ Quotations of four or fewer lines are placed within double quotation marks.
_____ Quotations of more than four lines are indented 1 inch from the left margin in a block quote. The text is double spaced. Create a lead-in for the quotation. The parenthetical citation follows the period at the end of the last sentence of the quoted material.
_____ Periods and commas are ALWAYS placed inside quotation marks if there is no parenthetical reference.
_____ Question marks and exclamation marks not originally in the quotation go outside the quotation marks.
_____ If a parenthetical reference ends a sentence, place the period after the reference.
_____ Use single quotation marks to set off a quotation within a quotation.
_____ An ellipsis (…) is used when omitting words, phrases or sentences from quoted material. Be sure that the omission of content does not substantially change the meaning.

General Format Specifications

_____ Spell numbers of one or two words. [three, five million]
_____ Use numerals for numbers of more than two words. [3.56 2,456 1,489 602]

Works Cited Page

_____ “Works Cited” [without the quotation marks] is centered at the top of the page.
_____ The “Works Cited” page is a separate page at the end of the paper.

_____ The “Works Cited” page is double-spaced.
_____ The first line of the first entry is typed flush with the left-hand margin.
_____ The second and all following lines of the entry are indented one-half inch.
_____ The “Works Cited” page contains entries that are listed in alphabetical order by the first word in each entry.

Specifications for Content

_____ Thesis is clearly stated in the introduction to the paper.
_____Topic sentences are evident in each paragraph of the paper.
_____ The focus of the paper synthesizes your sources. It is an essay, not a report.
_____ Your original thought is evident and separated from the borrowed material with appropriate citations and quotations.
_____ You form arguments and ideas into paragraphs of your own creation. You DO NOT simply cut and paste evidence.
_____ Conclusion ties together all major themes of the paper.
_____ Conclusion does not raise any points that were not addressed in the body of the paper.
_____ The minimum number of required sources are included on the Works Cited page.
_____ ALL borrowed material is cited.
