General Format Specifications for all Pages of the Paper

_____ Double spaced. Have Word remove space before / after paragraphs
_____ One inch margins
_____ 12 pt font, Times New Roman
_____ Last name & page number in upper right hand corner of all pages

Page One of the Paper

_____ Author’s name is in the header on the left-hand side of the first page.
_____ Instructor’s name appears as the second line of the header on the left margin of the first page.
_____ The course code appears as the third line of the header on the left margin of the paper. ex: LBC 101
_____ The due date, in MLA format, appears as the fourth line of the header on the left margin of the paper. ex: 23 October 2018
_____ The title of the paper appears centered above the text. The text of the title should not be underlined, italicized, in bold, or in quotation marks.
_____ All new paragraphs are indented ½ inch. There is one space between sentences.

MLA Citations

_____ Every source cited in the text is documented in a Works Cited page at the end of the paper.
_____ The author’s last name (or if no author key words from the title) is located in an in-text citation or in an introduction to all borrowed material.
_____ Page number(s) (if applicable) are always placed in the parenthetical citation.
_____ Parenthetical citations at the end of the sentence are followed by a period. [Unless you used a block quote.]
_____ All quotes have a signal phrase. (ex. Jones states,…)

Punctuation

_____ Quotations of four or fewer lines are placed within double quotation marks.
_____ Quotations of more than four lines are indented ½ inch from the left margin in a block quote. The text is double spaced. Create a lead-in for the quotation. The parenthetical citation follows the period at the end of the last sentence of the quoted material.
_____ Periods and commas are ALWAYS placed inside quotation marks if there is no in-text citation.
_____ Other punctuation not originally in the quotation goes outside the quotation marks.
_____ If a parenthetical reference ends a sentence, place the period after the reference.
_____ Use single quotation marks to set off a quotation within a quotation.
_____ An ellipsis (...) is used when omitting words, phrases or sentences from the middle of quoted material. Be sure that the omission of content does not substantially change the meaning.
